

FAMILY ESCAPE XT

19.6 FT

Experience the ultimate in compact luxury with the Boutique Family Escape XT, our 19'6" model. Even though it's the smallest in our Family Escape range, this caravan doesn't compromise on capability or comfort. Explore challenging terrain with confidence, knowing its robust chassis and all-terrain capabilities will handle anything you throw at it. Inside, the clever east-west bed layout maximises space and ensures a good night's sleep. Premium materials and cutting-edge technology create a stylish and convenient getaway for unforgettable adventures – proving that good things come in small packages.
